Prudential Wealth Management Ltd. is a member of Brokers Ireland.

Our principal business is to provide advice and arrange transactions on behalf of clients in relation to life assurance, savings and investments, income protection, specified illness cover, pensions, mortgages and PRSAs. A full list of insurers, product producers and lending agencies with which we deal is available on request. Prudential Wealth Management Ltd. looks at the risks, costs and complexity of products on your behalf on a non-biased basis. We are not a tied agent of any product producer.

We act as a Financial Broker and:

- a) the principal regulated activities of the firm are provided on the basis of a fair and personal analysis of the market; and
- b) you have the option to pay for our services by means of a fee.

Fair and Personal Analysis

The concept of fair and personal analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers considered must be

Prudential Wealth Management Ltd. t/a Prudential Wealth, Prudential Mortgages is regulated by the Central Bank of Ireland Ref: C435644

sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could reasonably be expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

Investment Intermediary Services

We are remunerated by commission for the advice we provide for our investment intermediary services.

Insurance based Investment Products

We are remunerated by commission for the advice we provide on our insurance based investment products.

Life & Pensions

We provide life assurance, pensions and investment advice on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically on the subject of permanent health insurance policies we will explain to you; a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

For a specified illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

Mortgages

Through the lenders or other undertakings with which we hold an agency, Prudential Wealth Management Ltd. can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, endowment mortgages, pension mortgages and residential investment property.

We provide mortgage advice on a fair analysis basis (providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable the firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs).

We will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.

Sustainability Factors – Investment/IBIPs/Pension Advice

When providing advice, the firm does not consider the adverse impacts of investment decisions on sustainability. The firm does not intend to consider such impacts in the future.

Statement of Charges

We may earn our remuneration on the basis of fee, commission and any other type of remuneration, including a non-monetary benefit or on the basis of a combination of these methods. A non-monetary benefit will only be accepted if it enhances the quality of the service to our clients.

You may choose to pay in full for our services by means of a fee. Where we receive recurring commission, this forms part of the remuneration for initial advice provided. We reserve the right to charge additional fees if the number of hours relating to on-going advice/assistance exceeds 15 hrs.

A summary of the details of all arrangements for any fee, commission other reward or remuneration paid or provided to us which have agreed with product providers is available in our office.

In certain circumstances, it will be necessary to charge a fee for services provided. These are listed below. In other circumstances where fees are chargeable or where you choose to pay in full for our service by fee, we will notify you in writing in advance and agree the scale of fees to be charged if different from fees outlined below. Where it is not possible to provide the exact amount, we will provide you the method of calculation of the fee.

If we receive commission from a product provider, this may be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission may become the amount payable to the firm unless an arrangement to the contrary is made.

Life Insurance, Savings and Investments and Pensions

You may elect to deal with us on a fee basis. Our fees are:

- €250 per hour (first hour consultation is free of charge).

Additional fees may be payable for complex cases or to reflect value, specialist skills or urgency, our scale of fees for such cases range from a minimum of €250 per hour to a maximum of €400 per hour. We will notify you in advance and agree the scale of fees to be charged.

Personal Retirement Savings Accounts (PRSAs) – Fees

Where advice is requested for PRSAs, the following hourly fees will apply:

- €250 per hour (first hour consultation is free of charge).

Additional fees may be payable for complex cases or to reflect value, specialist skills or urgency. We will notify you in advance of providing you with these services. Our scale of fees for such cases range from a minimum of €250 per hour to a maximum of €400 per hour.

If we receive commission from a product provider, this may be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission will become the amount payable to the intermediary unless an arrangement to the contrary is made.

Mortgages

We may receive up to 1% of the loan for arranging mortgage finance. This commission is paid by the mortgage lender. The actual amount of commission will be disclosed at a later stage in the ESIS (European Standardised Information Sheet) which will be forwarded to you. Information on the variation in levels of commission payable by the different creditors providing credit agreements being offered are available on request.

We charge a fee of €300 for a submitted mortgage application, this fee is non-refundable. This is not in any way an indication of mortgage/loan approval. Our fee will be notified to the lender who will include this fee into the calculation of the APRC (Annual Percentage Rate Charge).

Please note that lenders may charge specific fees in certain circumstances and if this applies, these fees will be specified in your Loan Offer. You have the right to pay a fee separately and not include it in the loan. Typically, this situation arises in relation to specialist lending. If we provide mortgage advice and obtain a Loan Offer for you and you subsequently do not proceed with your mortgage application through our firm, we will charge you an additional arrangement fee of €500 for our services.

Regular Reviews

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change which may result in you having insufficient insurance cover and/or inappropriate investments. We would therefore advise that you contact us to ensure that you are provided with up to date advice and products best suited to your needs.

Disclosure of Information

Any failure to disclose material information may invalidate your claim and render your policy void.

We will exercise our legal rights to receive payments due to us from clients (fees) for services provided. Product producers may withdraw benefits or cover in the event of default on payments due under policies of insurance or other products arranged for you. We would refer you to policy documents or product terms for the details of such provisions.

Mortgage lenders may seek early repayment of a loan and interest if you default on your repayments. Your home is at risk if you do not maintain your agreed repayments.

Complaints

Whilst we are happy to receive verbal complaints, it would be preferable that any complaints are made in writing. We will acknowledge your complaint in writing within 5 business days and we will fully investigate it. We shall investigate the complaint as swiftly as possible, and the complainant will receive an update on the complaint at intervals of not greater than 20 business days starting from the date on which the complaint is made. On completion of our investigation, we will provide you with a written report of the outcome. In the event that you are still dissatisfied with our handling of or response to your complaint, you are entitled to refer the matter to the Financial Services and Pensions Ombudsman (FSPO). A full copy of our complaints procedure is available on request.

Data Protection

We are subject to the requirements of the General Data Protection Regulation 2018 and the Irish Data Protection Act 2018.

Prudential Wealth Management Ltd. is committed to protecting and respecting your privacy. We wish to be transparent on how we process your data and show you that we are accountable with the GDPR in relation to not only processing your data but ensuring you understand your rights as a client. The data will be processed only in ways compatible with the purposes for which it was given and as outlined in our Data Privacy Notice, this will be given to all our clients at the time of data collection.

We will ensure that you receive a copy of the Privacy Notice.

New consumer responsibilities arising out of the Consumer Insurance Contracts Act 2019 which was implemented to protect consumers. You are required to answer all questions posed by us or the insurer honestly and with reasonable care – the test will be that of the ‘average consumer’¹.

Before renewal of the contract of insurance, specific questions will be asked. Again, you will be required to answer honestly and with reasonable care. Where you do not provide additional information (after being requested to do so) it can be presumed that the information previously provided remains unchanged.

Failure to answer all questions honestly and with reasonable care can result in the Insurer being able to rely on proportionate remedies for misrepresentation, which include but are not limited to the insurer voiding the contract of insurance. If a policy is cancelled by an insurer for any reason including payment default you may encounter difficulty in purchasing insurance in the future.

Completed proposal forms/statement of fact

Completed proposal forms or Statements of Facts will be provided to you. These are important documents as they form the basis of insurance contract between the insurer and you the consumer. You should review and confirm that the answers contained within are true and accurate.

New Business & Renewal

If you have taken out a life insurance contract, you may cancel the contract by giving notice in writing to us within 30 days after the date you were informed the contract is on cover.

The giving of notice of cancellation by you will have the effect of releasing you from any further obligation arising from the contract of insurance. The insurer cannot impose any costs on you other than the cost of the premium for the period of cover.

This right to cancel does not apply where, in respect of life insurance, the contract is for a duration of six months or less, or in respect of general insurance, the duration of the contract is less than one month. You are under a duty to pay your premium within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

A court of competent jurisdiction can reduce the pay-out to you if you are in breach of your duties under the Act, in proportion to the breach involved.

¹ Average consumer as per Directive No. 2005/29/EC of the European Parliament and of the Council of 11 May 2005 is reasonably well informed and reasonably observant and circumspect, taking into account social, cultural and linguistic factors.

Any clause in a contract of insurance that refers to a “material change” will be interpreted as being a change that takes the risk outside what was in the reasonable contemplation of the both you and the insurer when the contract was concluded.

You must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest and reasonably careful manner and must notify the insurer of the occurrence of an insured event in a reasonable time.

If you become aware after a claim is made of information that would either support or prejudice the claim, you are under a duty to disclose it. (The insurer is under the same duty).

You must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of the contract of insurance. If you make a false or misleading claim in any material respect (and know it to be false or misleading or consciously disregards whether it is) the insurer is entitled to refuse to pay and to terminate the contract.

Where an insurer becomes aware that a consumer has made a fraudulent claim, they may notify the consumer advising that they are voiding the contract of insurance, and it will be treated as being terminated from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim made after the date of the fraudulent act, and the insurer is under no obligation to return any of the premiums paid under the contract.

Commercial Customers: Non-Consumers

Disclosure of Information

It is essential that you should bring to our attention any material alteration in risk such as changes of address or use of premises. Any failure to disclose material information may invalidate your claim and render your policy void.

We are members of the Investor Compensation Scheme operated by the Investor Compensation Company Ltd. See below for details.

The Investor Compensation Act, 1998 provides for the establishment of a compensation scheme and the payment, in certain circumstances, of compensation to certain clients (known as eligible investors) of authorised investment firms, as defined in that Act.

The Investor Compensation Company Ltd. (ICCL) was established under the 1998 Act to operate such a compensation scheme and our firm is a member of this scheme. A right to compensation will arise only:

- If the client is an eligible investor as defined in the Act; and

- If it transpires that the firm is not in a position to return client money or investment instruments owned or belonging to the clients of the firm; and
- To the extent that the client's loss is recognised for the purposes of the Act.

Where an entitlement to compensation is established, the compensation payable will be the lesser of:

- 90% of the amount of the client's loss which is recognised for the purposes of the Investor Compensation Act, 1998; or
- Compensation of up to €20,000.
